Dear Mayor Euille,

This letter is in support of Alisa Carrel's application for continuation of her position on the Alexandria Commission for the Arts. As Chairman of the ACA it has been my extreme pleasure to work closely with her for the last year in this role and subsequently the previous two years as Vice-Chair of the Commission.

Alisa has been a mainstay of the Commission. She is currently serving as Vice-Chair and I simply can not do the job of running the Commission without her. Her tenure on the Commission has enabled the organization to grow and evolve into the finely tuned machine that services the diverse arts community in Alexandria today.

She is devoted to the arts, to education in the arts and to diversity in the arts. She believes that we all play roles in community volunteerism and she has done her part, time and time again, by being there when it counts for all of the Commission functions – well in excess of the required nine hours per month. And she has done this while also serving in a volunteer leadership role with the Alexandria Arts Forum as while as working full time for Ovation – the Arts Network.

In addition to her qualifications, Alisa is well-liked and admired by her colleagues on the Commission as well as by other members of the arts community. Ms. Carrel is a resource and a treasure that we are lucky to have and I highly recommend her renewal as a member of the Alexandria Commission for the Arts – without reservation!

I would be happy to speak with you should you have any questions. I may be reached during the day at (202) 416-8004 or in the evenings at (703) 379-4126. Thank you for your time.

Sincerely,
